Expand the Power of Cloud 9 with Custom Add-Ons

Cloud 9 Pay

Make Payment Acceptance Easy

Collect payments with mobile wallets like Google Pay and Apple Pay, automatically post payments in the Cloud 9 ledger, and protect your patient's payment data.

- Native point of sale payment posting to Cloud 9
- Recurring payments
- Network-enabled payment devices
- PCI-validated P2PE compliance

Cloud 9 Signature

Go Paperless with Digital Forms

Give patients the convenience of digital forms that can be filled out on a phone, tablet, or laptop with instant upload into their patient documents in Cloud 9.

- Custom branded forms
- Treatment consent forms
- Payment options
- New patient and health history forms

Cloud 9 Connect

Stay in Touch with Your Ortho Patients

Communicate using patient-preferred methods like text and email, reduce no-shows by staying top of mind with patients, and streamline workflows for your front office staff.

- Text and email appointment reminders
- Real-time confirmation tracking
- Email campaigns
- Reminders dashboard
