Transaction History	✔
Contracts – Converts based on contract date not on auto pay date.	✔
Aging	✔
AR Reports Match? - AR reports from Ortho2 ViewPoint are likely to be slightly off usually due to out of balance accounts in this system.	✔
AR Difference Report – Available based on date of data pull.	✔

* This is a balance forward conversion. It retains the ledger history for viewing purposes only and cannot be queried for reporting. You must obtain all reports prior to conversion to Cloud 9 from your previous software. Insurance contract charges/payments may be shown on the responsible party.
